

X-word Grammar Lesson Four Part E – Exercise One

Exercise One - Separate the shifters from the sentence with parentheses, mark the two X-word places, draw a box around the subject and a wavy arrow over the predicate. Show all the ties in each sentence. Indicate the time as past or present. What form of the verb is in the sentence?

Follow the example:

1. A few students in our class are eating something right now.
2. They have brought food from home.
3. They will go to Seven/Eleven later.
4. Two students could not make it to class this morning.
5. They had stayed up very late the night before.
6. Those three people are planning a party this weekend.
7. They must finish their plans.
8. They do not have a choice.
9. Food for the party was purchased last week.
